CHAIRPERSON'S CORNER

Fall is certainly in the air so that means good flying wx in cool skies - get out when you can! RARA just now upon us again brings us all out to be together as the one group we are as dedicated to bring scholarship monies into our coffer. Each and everyone is so appreciated in this effort – know that and be so very proud of your effort!

Jan Gageby will be Chairing our next meeting at Kathy Walton's house and Valerie from RARA will be hosting as well; I will not be there this time but will see you all at RARA. Marye Anne Read will be raffling the 25th Silver RARA Anniversary Shirt at this meeting (we have already a bid of \$200.00) so add to that if you can. I have donated this shirt for our Scholarship Fund as well.

The Nevada Parade project is ready to get to work on the many details to get us all marching down past the Capital on October 30th. If you haven't heard about this yet, please call me and I will send you a email/conversation as to how you can help. See you at the Tower and /or at Red's in November - Dene

RENO AIR RACES

The races begin in just a "few" days. Many thanks to those of you who have signed up are able to volunteer during the run. The next meeting is the time and place to get your wristband for entrance and your parking pass. Please try to attend if at all possible to make Jeanne's job easier.

Reno Tower Tour

The chapter has been invited to tour the new Reno tower before the official public opening. Our tour will be on our regular meeting night, October 14th. We will meet at the tower at 5:00 pm. **We will need the name of everyone going** prior to that date. Further details will be presented at the meeting.

NEXT MEETING : The next meeting on September 9th will be at the home of Kathy Walton at 5:30 and the meeting at 6:30 pm. Bring your own meat, drink and something to share. Please try to arrive as close to 5:30 as possible as Valerie Miller from RARA will be there to speak to us. The Race committee will have last minute details for us and be passing out "credentials".

Trains will be running..bring 49 1/2s, others to share.

CONGRATULATIONS TO BERTIE
