

Newsletter of The San Joaquin Valley Chapter of The Ninety-Nines, Inc.

Aloha! We are off to Hawaii

I wanted to get the newsletter out early so everyone is aware that our Christmas party at Deb's is on Dec 6th. Our party is one week early as I will be on a Caribbean cruise on our usual meeting date. It's a tough job but somebody's got to do it!

Nov Meeting was a Great Success

Pat Titus prepared a delicious minestone soup and salad for the group

We welcomed two new members, Beth Stanton and Terry Chang. We also met Terry's 8 year old daughter and Megan who works at Modesto Aviation and may join us in the future. It was good to see Terry & Deb, Nancy flew in from Palo Alto, Lynne flew from Pine Mt. Lake and Dianne and I also flew in.

Thank you Pat for all your hard work.

FALL BRD OF DIR. MTG - OKC

Dianne attended this meeting and should have some interesting ideas to share with us.

ANNUAL CHRISTMAS PARTY Will be held at Deb Travaille's Home

*Bring an aviation related gift (if possible) for the pirate gift exchange.

*This is a true pot luck, please bring your most delicious concoctions.
