

SQUAWKINJOAQUINS—July. 2010

Newsletter of The San Joaquin Valley Chapter of The Ninety-Nines, Inc.

Oh No, Now It's My Turn.....

I hope everyone is enjoying their summer and the fact that we have July off. I know many of us are vacationing right now. Deb is enjoying Squaw Valley, Andy went to Hawaii for the Annual Conference, I am going to SEA for family gathering this weekend and then preparing for Oshkosh. I am sure Sue is traveling somewhere and the rest of you girls I hope you are flying and enjoying some of this great weather. I am your new **Chapter Chair**, and I am planning on some fun and exciting activities during the next two years. LOTS of good times to come. Any suggestions would be appreciated.

Dianne did such a wonderful job over the past few years, she will be a hard act to follow. Please bear with me while I learn the ropes and learn how to do the newsletter.

99s Annual Meeting in Hawaii

The Annual meeting will be something we will look forward to hearing about from Andy and Lindy who planned to attend.

Get Well Wishes

We are sending our get well wishes to Ken Cole who is recovering from a broken hip. Dianne said she is making sure he gets the care he needs in the rehab hospital. Get Well Soon, Ken!

THERE WILL BE NO MEETING IN JULY—SEE YOU IN AUGUST.

Clichés:

A male pilot is a confused soul who talks about women when he is flying and about flying when he's with a woman.
