Chapter Chair's Message contributed by Camille Nelson

Another busy month for SLO 99s. Nice hot, summer-like weather prevailed at both Paso and San Luis airport days. The awesome *SLO 99s 2010 Calendar* was unveiled at Paso, and the *1st Annual Airport Day Raffle* was introduced in SLO. Thanks Kathy and Elizabeth! And thank you to everyone who participated in the tower tours and who helped set up and man the boothour booth looked great with the compass rose backdrop, and tower tours continue to be extremely popular.

More exciting fundraising activities in the near future....Gene Hudson's presentation, "*Surviving In-Flight Emergencies*" in October and the Poker Run/BBQ the first weekend of November. The Pilot Seminar promises to be excellent, and the Poker Run--a new adventure for many of us--sounds like loads of fun. Hoping to get lots of local pilots involved in both activities, so pass the word.

A special congratulations to our very own Elizabeth Dinan, to whom SLO Airport Day was dedicated. She was honored with a beautiful plaque celebrating her 50 years of aviation achievements.

Cross-country Chronicles
contributed by Kathy Dannecker

On September 12, 2009, two women set out on a fantastic journey. Armed with nothing but their wits and courage (and a lot of charts), they set their sights on points East... Washington, DC to be precise. Who are these two adventurous women? None other than our own Grace Crittenden and Maureen Curran.

At the October meeting, Grace and Maureen will share the twists and turns of their travels. How turbulent were the mountains? How flat were the plains? Was Mother Nature a friend or a foe? Hear the tales of our intrepid travelers... October 7th at the Spirit of San Luis. Come order dinner and socialize from 5:30pm until 6:00pm. The presentation begins at 6:00pm. See you then!

San Luis Obispo Airport Day Raffle
contributed by Elizabeth Dinan & Camille Nelson

Our SLO 99s want to thank all the wonderful and generous organizations who donated the great raffle prizes for Airport Day. It was fun selling our raffle tickets as it gave us the opportunity to meet some of the people who attended Airport Day. Some were pilots and some were not, but all were interesting to talk to. I think we were able to sell a little aviation and tell those who attended and not too familiar with our airport, just how wonderful it is and how important it is to our community.

It was, of course a special day for me, one I shall never forget, and calling the WINNERS was really fun. Every one was very excited and looking forward to their flights.

Again, thank you all to all our sponsors ACI Jet Center, Air San Luis for the Scenic Flight in Cessna T210, PacificAeracademy for 2 Intro Flighs and PCF for 2 Intro Flights.

And personally from me, THANK YOU. You can always be counted on to help San Luis 99s. The money from this raffle will go to our scholarships.

Congratulations as well to the winners of our raffle:

ACI Citation Ride - Chuck Ballard

Air San Luis 210 ride - Cynthia Douglas

PCF Intro. Flights - Mike Irwin, Bob Kelly

Pac Aero Intro. Flights - Cindy Huntley, Charlie Felix
